

# **GOOD NEWS**

We are proud to announce a very good news, that the thematic event on January 25<sup>th</sup>, 2016 will be partially supported by the funds from the CSST, which means that the salaries for the participants of this activity will be reimbursed in their entirety.

The theme will be:

## **ACCOMPANEMENT IN A SITUATION OF SEVERE OR INCURABLE PROFESSIONAL ILLNESS**

The deficient conditions and organisation of work, the absence of notice ahead of time, the lack of respect and consideration for the workers, the stress and the lack of efficient management in our workplace all add up to make severe and incurable professional sickness a genuine plague. When a worker is hit with the worst: How to deal with it? How to help? What consequences to foresee? Upon the return to work: a lot of questions, insecurity and stress appear when the person needs confidence and security.

**Only 40 seats left, be the firsts to register.**

The event will take place in our offices at:  
565, boul. Crémazie east, 2<sup>nd</sup> floor  
Rooms ABC  
We will start at 9am  
Meals served on site

Charges remain unchanged, being 50.00\$, since it is a special thematic event demanding additional charges.
