PETITION TO: The House of Commons

We, the Undersigned Citizens of Canada, draw the attention of the House of Commons to the following:

Whereas the Air Canada Public Participation Act of 1988 requires Air Canada to perform its heavy maintenance work in Montreal, Mississauga and Winnipeg, and

Whereas the Courts have found that Air Canada contravened this legislation in 2012 when the AVEOS bankruptcy directly destroyed 2,600 highly-skilled jobs, and

Whereas the Minister of Transport has introduced Bill C-10, which would amend the Air Canada Public Participation Act to relieve Air Canada of any obligation to perform significant maintenance work in Canada, undermining the entire Canadian air transport and aerospace sector,

THEREFORE, your petitioners call upon the House of Commons to reject Bill C-10 and ensure that Air Canada meets its legal requirements under the Air Canada Public Participation Act.
