TO ALL IAMAW MEMBERS WORKING FOR AJW-TECHNIQUE NEGOTIATION UPDATE

Dear Brothers and Sisters,

Your Negotiating Committee, composed of Michel Richer, Peter Tsoukalas, Stéphane Baril, and John Toto, as well as Gérald Tremblay, Québec Aerospace Coordinator, met on June 1st and 2nd, and from June 12th to 16th in view of the next round of negotiations. Peter Greenberg, Senior Research Economist at the Strategic Resources Department in Washington, joined us to introduce and analyze the results of the survey distributed some time ago, and to advise us on the negotiation process. The Committee also discussed a communication plan to better communicate with our members.

The Committee will meet again in July to prepare an agenda and schedule meetings with the Company.

We will keep you informed of all upcoming developments.

The Committee thanks you for your support.

Your Negotiating Committee
