Dear Members,

Your Negotiating committee has just concluded another round of negotiations to establish a Collective Agreement that reflects your demands and after multiple sessions of bargaining has now reached an impasse with the Company.

We will file a Notice of Dispute and request for conciliation assistance in accordance with Canada Labour Code, Part I, Section 71, in order to establish a Collective Agreement that reflects your demands.

Your Negotiations Committee has been and will continue to work on the issues that are of critical importance to the membership. The Committee will keep you informed of all upcoming developments.

We ask you to continue to work safely, and to send any comments or questions to the Negotiating Committee members. We thank you for your continued support.

In solidarity,

Sylvain Fournier – chief steward and negotiating committee member
