TO ALL IAM MEMBERS EMPLOYED BY LOGIXX SECURITY, MONTREAL AIRPORT STRIKE MANDATE VOTE

Dear Members,

The conciliation period for the current round of contract negotiations has now officially concluded, and despite ongoing discussions, the union and the company remain at an impasse. While efforts were made to reach a mutually acceptable agreement, key issues remain unresolved, and no tentative deal has been achieved. The union remains committed to securing a fair and equitable contract for its members and will continue to explore all available options moving forward.

The next step in the process is to hold a vote for a strike mandate. A strike mandate vote is a process in which union members vote to give their union leadership the authority to call a strike if necessary. **It does not automatically mean a strike will occur**, but it signals that members are prepared to take action if an agreement cannot be reached. A strong mandate can increase pressure on the employer to negotiate seriously and reach a fair deal.

Therefore, the members of your bargaining committee will be holding informational sessions and a strike mandate vote: **Wednesday July 15, 2026 between 5PM to 9PM at the District 140 office situated: 3900 Boul. Côte-Vertu, suite 202, St-Laurent, Québec, H4R 1V4.**

Your participation is essential to the strength and effectiveness of our collective efforts. By staying informed, engaged, and involved, you help ensure that the union has a strong, unified voice at the bargaining table. Every member's contribution matters and plays an important role in achieving a fair outcome for all.

If you have any questions or concerns please contact your negotiations committee.

In solidarity,

Ken Villapando – Chief Shop Steward

Chris Berdych – Negotiations committee member

Jean-Francois Routhier – IAM General Chairperson Transportation District 140
