TO ALL MEMBERS OF IAM

SAMSIC MONTREAL

Dear Sisters, Brothers, and Siblings,

We are deeply saddened to receive the heartbreaking news regarding the loss of one of our members of Samsic in Montreal, who tragically passed at work while performing his ramp duties.

At this moment, information is very limited. However, we are working with the employer, Samsic and the Airport Authority to determine what occurred.

IAM representatives and safety officers are on site now and grief councillors are being arranged through Samsic to assist any members who have been affected by this horrible tragedy.

Our deepest sympathies and prayers are with the family, friends, and colleagues and we will work to help them in any way we can.

Although serious accidents are rare, the dangers our members face day to day at work, make safety the number one priority.

We are heartbroken for the loss of this young member and our hearts go out to his loved ones.

In respect of the family and the current investigation, the IAM will not be making any further comments at this time.

In solidarity,

Dave Flowers
IAMAW
President & Directing General Chairperson
